Proveca Pharma Ltd. Transfer of Value Disclosure 2024

Methodological Note – Austria

Introduction

Proveca Pharma Limited disclose Transfers of Value ('ToVs') made to Healthcare Professionals ('HCPs') and Healthcare Organisations ('HCOs') in line with the requirements of the European Federation of Pharmaceutical Industries Associations ('EFPIA') code and the Freiwillige Selbstkontrolle für die Arzneimittelindustrie e.V. ('FSA') transparency code.

ToVs are payments (e.g. consulting fees) as well as non-monetary benefits (e.g. services of a member company or payments to contracted agencies). Transfers of values can be rendered directly or indirectly in favour of the recipient. Indirect rendering of transfers of values is where they are not made by the member company but rather are provided by a third party for a member company in favour of the recipient.
